

BRAVO MUSIC

Funding request information

Our mission at Bravo Music is to further live music in Cincinnati. As part of that mission, we provide grants to fund or partially fund outreach and educational concerts.

Any musician or group is eligible, provided the concert/performance is free and open to the public and the group **is part of Local #1 of the AFM.**

To qualify for a grant, individuals and groups must submit a written proposal outlining the proposed performance or series of performances. The proposal shall state:

- who will be playing,
- what kind of performance(s) will be given,
- if there is a theme or educational tie-in,
- where and when the proposed performance(s) will be.

The player or players will be paid Local #1 scale. All types of music are eligible for funding. Other projects will be considered but our current preference is live performance.

We will be accepting proposals until Dec. 15, 2017 for the Winter/Spring Season (Events completed by May 30, 2018). Although there is a limited amount of funding, we will sponsor as many concerts as we can. Co-funding free concerts with venues may enhance a group's chance of funding. Bravo will respond to applications as quickly as possible but by Jan. 15, 2018 at the latest.

Please submit written proposals by e-mail to Bravo Music at [bravo.at.afm1@gmail.com].

While Bravo Music will post the dates, times and places of sponsored concerts on our website (bravomusic.org) and our Facebook page, other advertising is the responsibility of each group.
